

Young Learners' Summer Course 2025

22nd June – 14th September

Long days, warmer evenings, summer is a great time to visit York. York is a year-round city and is at its busiest during the summer months!

We have welcomed generations of young students and now, some of them are sending their own children! Whether getting a head start on the new school year or preparing for an exam, summer in York will be an unforgettable experience!

Our programme makes the most of York during the summer and students have the chance to visit many of the key tourist attractions. Of course, because it is summer we can use our lovely, large garden to the full for barbecues and other evening events.

The course is open to students from 8 if with parents, otherwise 11 to 19. Parents are welcome on our Gold Course and families can share rooms in Melton Guest House, our beautiful hotel, next to the College.

Students travelling alone are looked after by all of us but especially by our welfare staff. We have some lovely Homestay Hosts to provide accommodation and a warm Yorkshire welcome!
