

Young Learners' Easter Course 2026

29th March - 26th April

Easter is a great time to visit, as York is a year-round city and there is lots to see and do!

Our programme makes the most of York at Easter and students have the chance to visit many of the key tourist attractions. Of course, because it is Easter, we also have an Easter Egg hunt for our younger students (and any others who like chocolate!).

The course is open to students aged 8 - 11 if with parents, otherwise ages 11 to 19, and they can travel alone or with a parent.

Parents are welcome to attend our Easter Gold Course and families can share rooms in Melton Guest House, our beautiful hotel, which is right next door to the College.

Students travelling alone are looked after by all of us here, but especially by our welfare staff. We also have some lovely Homestay Hosts who provide accommodation and a warm Yorkshire welcome!

All activities listed in the Activity programme are included in the fee, including all transport and entry fees.
