Young Learners' Autumn Course 2026

11th October - 8th November

Many countries have a long half-term in October, and our Young Learners' October Course offers a fun and useful way to spend the holiday in York!

Lots of language course locations rely on good weather, and are only really fun in the warmest of the summer months. York is lucky! We are a year-round city and have lots to see and do at all times, even when other locations are closing down!

Our programme makes the most of York in autumn and students have the chance to visit many of the key tourist attractions.

The course is open to students aged 8 - 11 if with parents, otherwise ages 11 to 19. Parents are welcome to attend our Gold Course and families can share rooms in Melton Guest House, our beautiful hotel, right next to the College.

Students travelling alone are looked after by all of us here, but especially by our welfare staff. We also have some lovely Homestay Hosts who provide accommodation and a warm Yorkshire welcome!
