Our Young Learners' Courses help children and teenagers communicate with confidence, at school, in exams, on holiday and in life.

Designed for Young learners - We have a skills-based timetable specially designed with younger learners in mind! We make the most of our young learners being in York in an English-speaking environment.

Young Learners' Courses throughout the year - We run Young learners' Courses over Easter, during the Summer and in October. Each course follows the same structure but has a programme designed to make the most of the time of year in York, a truly year-round city!

York is a great city for Young Learners! - Big enough to be interesting, small enough to be friendly and safe. Most of the shopping streets are traffic free and everything is within 30 minutes' walk of everything else! As one of the top tourist destinations in Europe, York has lots for students to see and do!

Travel with confidence - Students travelling alone are looked after by all of us but especially by our welfare staff. We have some lovely Homestay Hosts to provide accommodation and a warm Yorkshire welcome!
