Melton College

Juniors' SUMMER COURSE 2027

Long days, warmer evenings, summer is the perfect time to visit.

York is a year-round city and is at its busiest during the summer months! We have welcomed generations of young students and now, some of them are sending their own children! Whether getting a head start on the new school year or preparing for an exam, summer in York will be an unforgettable experience!

Our programme makes the most of York during the summer, and students have the chance to visit many of the key tourist attractions. Of course, because it is summer we can use our lovely, large garden to the fullest for barbecues and other evening events.

The course is open to students aged 7 - 11 if with parents, otherwise ages 11 to 19. Parents are welcome to attend our Gold Course and families can share rooms in Melton Guest House, right next door to the College. Students travelling alone are looked after by all of us here, but especially by our welfare staff. We also have some lovely Homestay Hosts who provide accommodation and a warm Yorkshire welcome!
