Melton College

Juniors' WINTER COURSE 2027

York at Christmas, a truly magical time to visit our year-round city!

Advent, the season leading to Christmas is all about looking forward, and our Gold Course can sample some of the expectation of the most magical time of the year. Be it visiting market, seeing the awesome decorations at the stately homes, or enjoying some seasonal food and drink. The nights are dark, but the stars shine brightly!

The course is open to students aged 7 - 11 if with parents, otherwise ages 11 to 19, and they can travel alone or with a parent. Parents are welcome to attend our Winter Gold Course and families can share rooms in Melton Guest House, our beautiful hotel, which is right next door to the College.

Students travelling alone are looked after by all of us here, but especially by our welfare staff. We also have some lovely Homestay Hosts who provide accommodation and a warm Yorkshire welcome!
All activities listed in the Activity programme are included in the fee, including all transport and entry fees.
